Dear Parents and Carers,

We are delighted to share with you the recent Ofsted report for Pelham Primary School, following their inspection on 7 and 8 May 2025. We are incredibly proud of the outcomes, which reflect the hard work and dedication of our entire school community.

Pelham Primary School has been rated "Good" in the quality of education, behaviour and attitudes, personal development, and leadership and management. Our Early Years provision received an "Outstanding" grade, which is a testament to the strong foundations laid for our youngest learners.

The report highlights many key strengths of our school, please see some quotes below:

"This is a very warm and friendly school. All are welcome here."

"The trust's motto 'excellence every day' is demonstrated throughout the school. Children in the early years get off to a flying start."

"The school encourages pupils to 'dream big'. It provides a wide range of opportunities for them to develop their talents and interests."

"The school is ambitious for pupils with SEND."

"Provision in the early years is highly effective. Its curriculum provides a very strong foundation for children's learning and development."

"The school promotes positive behaviour in a calm and supportive environment."

"Together (school and governors), they create a nurturing and inclusive environment."

We are incredibly grateful for the continuous support of our dedicated staff, wonderful pupils, and you, our parents and carers. This positive report is a reflection of our strong school community working together to provide the best possible education for our children.

You can read the full report on the Ofsted website in seven working days and it will be published on our school website today.
